

Session Times and Fee Structure From 1st May 2026

At Daffodils Outdoor Nursery, we are proud to offer a range of enriching experiences that support a holistic learning environment. Alongside our seasonal snack teas, we provide opportunities for children to engage in activities like our fire circle, woodwork, forest school, sewing, yoga, gardening, and woodlands outdoor play. We also host exciting external visits from professionals such as firefighters, farmers, dentists, and other community figures, bringing real-world experiences to life.

Our curriculum is enhanced by cultural and social events that celebrate diversity and inclusivity, allowing children to develop a broad understanding of the world around them. With a focus on highly qualified staff, a higher staff-to-child ratio and a strong eco-friendly, nature-loving ethos, we ensure that each child receives the individual attention and care they deserve while exploring the outdoors.

Parents are kindly asked to provide a healthy packed lunch for their child, complementing our nourishing offerings.

Government Funded Sessions

The Government offers all eligible children up to 5 years old 30 hours of childcare and education per week up to a maximum of 1140 hours per year. Funding is available at the start of the term after your child's birthday. Daffodils Outdoor Nursery ensures that all funded hours are free at the point of delivery, in accordance with the Statutory guidance - Early education and childcare (valid from 1 April 2026) (A1.32–A1.35).

The different options available are

- 30 hours childcare for eligible working families in England for children aged 9 months to 2 years (1140 hours a year)

- 15 hours of childcare for children aged 2 years receiving additional forms of support (570 hours a year)
- 15 hours childcare for all families in England for children aged 3 to 4 (570 hours a year)
- Additional 15 hours childcare for eligible working families in England for children aged 3 to 4 years (570 hours a year)

Daffodils offer a stretched funding model over 47.5 weeks per year, allowing you to claim up to 12 or 24 hours per week for our all year round places. This is called a 'stretched offer' and allows you to spread funding across more weeks. The total number of hours each child is entitled to each year is the same, 570 or 1140. The year will be split into weeks per funding block.

Some children up to 5 years old will be eligible for 30 hours of childcare and education. You can check your eligibility and lots more information using the following link;

<https://www.childcarechoices.gov.uk>

If eligible, when you apply you will be given a code which you will need to provide us with so we can check your eligibility. You MUST provide your funding code by the deadlines given or your code will not be eligible, and we will be unable to verify your code. The deadline is usually the start date of the next term, so if you apply and a code is issued mid-term it will only be able to be used from the start of the next term, meaning we cannot claim funding until the start of next term and will be required to pay full fees for your sessions. If you are unsure about any deadlines, please speak to the manager who will be able to help. As Daffodils offers a 'stretched' funding offer, we will claim either 12 or 24 hours per week.

Early Education and Childcare funding is intended to cover the cost of the childcare place and delivery of the EYFS, but it is not intended to cover the cost of snacks/meals, non-food consumables, Enhanced Provision or privately paid for hours

The Enhanced Provision at Daffodils goes beyond the EYFS statutory requirements and are designed to enrich children's experiences. They cover the following and more;

Wood Work sessions, Sewing Sessions, yoga sessions, nutritious breakfast, nutritious snack tea, fresh fruit and healthy snacks, school leavers party, forest school & private woodland access, woodwork & tool use, high-risk play & improved ratio, music & yoga, cooking & structured sessions, seasonal events (pumpkin, winter, easter, summer), party events, consumables such as nappies, wet wipes, nappy sacks, sun cream, and more!

- If you choose to opt out of paying the optional additional extras, you will need to provide all consumables such as nappies, wipes, food and drink. Children accessing fully funded places will still receive a high-quality EYFS curriculum. Where families choose to opt out of the Enhanced Provision, alternative EYFS provision will be made using nursery resources.
- Benefits “that are not directly related or necessary for the effective delivery of the Early Years Foundation Stage (EYFS) statutory framework” (Statutory guidance - Early education and childcare (valid from 1 April 2026) - A1.32) are not included if parents choose to opt out of paying the additional optional extras.
- This is made in accordance and compliance with Statutory guidance - Early education and childcare (valid from 1 April 2026). In particular part A1.32-35, A1.40,42, and D1 to ensure providers are “meeting the requirements of the Early Years Foundation Stage”

Optional Extras and Transparency

Invoices clearly show funded hours as £0, with any optional extras listed and priced separately to maintain full transparency.

Registration Fee and Deposit

A Registration fee of £130 is applicable to those paying for privately paid hours. This will also include a starter kit of waterproofs, lunchbox and wet bag.

A Registration fee is not charged for those accessing only the Early Education and Childcare Funding.

If the start date is more than 2 weeks away from the registration date a deposit of £250 is required. The deposit is credited against the first invoice.

Deposits and registration fees are not required for fully funded sessions.

Compliance Statement

Daffodils Outdoor Nursery complies fully with the Statutory guidance - Early education and childcare (valid from 1 April 2026), ensuring that all funded early education hours are completely free at the point of delivery. Any additional charges relate only to privately funded hours and Enhanced Provision and are

clearly categorized for transparency. This policy aligns with guidance sections A1.32–A1.41 and D1, covering free entitlement delivery, transparency, and local authority monitoring.
